Be it ordained by the People of the City and County of San Francisco:

Section 1. Article 8, Chapter XI, Part II, San Francisco Municipal Code (Traffic Code) is hereby amended by amending Section 151 thereof, to read as follows:

SEC. 151. Disposition of Traffic Citations.

Upon the issuance of such citation to an alleged violator of any provision of the Vehicle Code of the State of California or of the Traffic Code of the City and County of San Francisco, it may be disposed of only as follows:

(a) In cases where the alleged violator is directed to appear at the Traffic Fines Bureau, by posting bail with the Clerk of the Municipal Court in charge thereof, in an amount fixed by the Judge of the Municipal Court assigned to hear traffic offenses; or

(b) By the Judge of the Municipal Court assigned to hear traffic offenses, with such case being duly entered upon the official calendar or docket of such court.

(c) When any vehicle registered in another state or foreign country is found upon a city street and it is known to have been issued five or more notices of parking violations in San Francisco over a period of five or more days, to which the owner or person in control of the vehicle has not responded, the vehicle may be impounded until such person furnishes to the impounding law enforcement agency evidence of his identity and an address within this state at which he can be located and satisfactory evidence that bail has been deposited for all notices of parking violation issued for the vehicle. In lieu of requiring satisfactory evidence that such bail has been deposited, the impounding law enforcement agency may, in its discretion, issue a notice to appear for the offenses charged. The officer shall prepare in triplicate a written notice to appear in court or before a person authorized to receive a deposit of bail, containing the name and address of the person, the license number of the vehicle, the name of the registered owner or person in control of the vehicle and the time and place when and where the person shall appear. The place specified in the notice to appear shall be before a magistrate within San Francisco. Any person willfully violating his written promise to appear in court or before a person authorized to receive a deposit of bail is guilty of a misdemeanor. In lieu of either furnishing satisfactory evidence that such bail has been deposited or accepting the notice to appear, such person may demand to be taken without unnecessary delay before a magistrate in San Francisco.

(a) For every person manufacturing and selling any goods, wares or merchandise at wholesale, or selling any goods, wares or merchandise at wholesale not otherwise specifically taxed by other provisions of this ordinance, the tax shall be $32.00 per year or fractional part thereof for the first $20,000.00 or less of gross receipts, plus $1.60 per year for each additional $1,000.00 of gross receipts or fractional part thereof in excess of $20,000.00; provided that blind persons need not include the first $20,000.00 of gross receipts in the computation of the amount of tax due hereunder nor be required to pay the minimum tax. This exemption shall not subject such blind person to the provisions of Section 4.07 of this ordinance. The rate of the tax set forth hereinabove shall remain in effect until the first day of the month immediately following the month in which the Controller reports to the Board of Supervisors that, in his opinion, the proceeds derived from the levy of the Payroll Expense Tax imposed by Ordinance No. 275-70, are legally available to meet appropriations made by the Board of Supervisors, at which time the tax shall be $16.00 per year or fractional part thereof for the first $20,000.00 or less of gross receipts, plus $0.80 per year for each additional $1,000.00 of gross receipts or fractional part thereof in excess of $20,000.00; provided, however, that commencing January 1, 1977, the tax shall be ~~$15.00~~ $18.00 per year or fractional part thereof for the first ~~$15,000.00~~ $20,000 or less of gross receipts, plus ~~$1.00~~ $.90 per year for each additional $1,000.00 of gross receipts, or fractional part thereof in excess of ~~$15,000.00.~~ $20,000.

(b) For the purpose of this section, a wholesale sale or

sale at wholesale means a sale of goods, wares or merchandise for the purpose of resale in the regular course of business.

(c) Whenever a person engages in the same location in two or more businesses of the kind taxed in this section, a joint registration certificate shall be issued for all such businesses and the tax shall be measured by the sum of the gross receipts of all such businesses so conducted.

(d) A blind person, within the meaning of this section, shall mean a person having not more than ten percent visual acuity in the better eye, with correction. Such blindness shall be certified by a licensed physician and surgeon who specializes in diseases of the eye, or by the Bureau of Vocational Rehabilitation of the Department of Education of the State of California, and the exemption provided by this section shall not apply until a certificate as to such blindness shall be furnished to the Tax Collector.

(e) As used in this section, the term "manufacturing and selling" shall be deemed to include the activities of "handling and selling," "storage, handling and selling," "assembling and selling," and "processing and selling."

Nothing in this section contained shall be construed to require the inclusion in the computation of the amount of the tax due thereunder the gross receipts of the sales of goods which are shipped to the purchasers of such goods by the seller to points outside the State of California.

Section 4.15. Architects, Engineers.

(a) For every person engaged in business as an architect or engineer, the tax shall be as follows: (i) with respect to gross receipts from contracts on which the architect or engineer submitted a proposal prior to August 17, 1968, there shall be no tax

whatsoever; (ii) with respect to gross receipts from contracts on which the architect or engineer submitted a proposal between the dates of August 17, 1968, and August 17, 1970, the tax shall be $24.00 per year or fractional part thereof for the first $12,000.00 or less of gross receipts, plus $2.00 per year for each additional $1,000.00 of gross receipts or fractional part thereof in excess of $12,000.00; (iii) with respect to gross receipts from contracts on which the architect or engineer submitted a proposal between the dates of August 18, 1970, and June 30, 1971, the tax shall be $48.00 per year or fractional part thereof for the first $12,000.00 or less of gross receipts, plus $4.00 per year for each additional $1,000.00 of gross receipts or fractional part thereof in excess of $12,000.00; (iv) with respect to gross receipts from contracts on which the architect or engineer submitted a proposal between July 1, 1971, and ~~August 31, 1975~~ September 30, 1975, the tax shall be $24.00 per year or fractional part thereof for the first $12,000.00 or less of gross receipts, plus $2.00 per year for each additional $1,000.00 of gross receipts or fractional part thereof in excess of $12,000.00; (v) with respect to gross receipts from contracts on which the architect or engineer submitted a proposal on or after ~~September~~ October 1, 1975, the tax shall be ~~$25.00~~ $22.00 per year or fractional part thereof for the first $10,000.00 or less of gross receipts, plus ~~$2.50~~ $2.20 per year for each additional $1,000.00 of gross receipts, or fractional part thereof in excess of $10,000.00.

(b) The term "engaged in business as an architect" as used herein shall mean engaged in an activity for which a license is required under Chapter 3, Division III of the Business and Professional Code of the State of California. The term "engaged in business as an engineer" as used herein shall mean engaged in an

activity for which a license is required under Chapter 7, Division III of the Business and Professions Code of the State of California.

(c) The meaning of the term "gross receipts" as used herein shall be that set forth in Section 2.6; provided that such term shall include the total contract price for the work performed by such architect or engineer, without deduction for consulting fees and irrespective of whether the contract is one on a stipulated sum or on a cost-plus fee basis or one under the terms of which the architect or engineer acts as agent for the owner.

(d) Whenever an architect or engineer performs work or renders services in part within the City and County of San Francisco and in part without the City and County of San Francisco, no apportionment shall be made except that the tax shall be levied only on that percentage of gross receipts equal to the percentage which working time expended within the City and County of San Francisco bears to his total working time both within and without the City and County of San Francisco.

Section 5.3. Small Business Exemption.

Notwithstanding any other provisions of this Business

Tax Ordinance, small business enterprises, as hereinafter defined, shall be exempt from taxation under this ordinance. The term "small business enterprise" shall mean and include any taxpayer w ose tax liability hereunder, but for this exemption provision, would not exceed Five Hundred ($500) Dollars.

Section 14. Action for Tax; Time for.

All taxes imposed by this ordinance, together with all interest and penalties, shall be recoverable by the City and County as other debts of like amounts are recoverable. The Tax Collector may bring an action in the courts of this state, or any other state, or of the District of Columbia, or of the United States and its territories and possessions in the name of the City and County of San Francisco to collect the amount delinquent, together with penalties and interest. Any such action shall be brought within four (4) years after the delinquency occurs, or within four (4) years after the return is filed, whichever period expires the later; provided, however, that there shall be no limitation on the time in which such action shall be brought in cases of fraud, intent to evade this ordinance or authorized rules and regulations, or failure to make a return.

Section 2. Section 5.1 ("Monetary Exemption") of Ordinance No. 245-68 is hereby repealed.

Section 3. If this amendment establishing a tax exemption for small businesses is held to be invalid for any reason, the Business Tax Ordinance shall not be invalid in its entirety but rather shall continue in full force and effect as if this amendment had never been enacted; and said Business Tax shall apply to small business enterprises, as well as to other taxable businesses. It is hereby declared to be the intention of the Board of Supervisors that the Business Tax Ordinance shall apply to persons engaged in business within San Francisco, even if small business cannot legally be exempted.

Section 4. The Board of Supervisors hereby finds and declares that many small business enterprises, possibly as many as 1900 such small business enterprises have left San Francisco in the past three years and that the financial burden of San Francisco business taxes, including the Payroll Expense Tax and/or the Business (gross receipts) Tax, was a significant factor in such business departures. The Board of Supervisors further finds and declares that exempting small business enterprises from these taxes would significantly reduce the cost of collecting such taxes and would increase the efficiency of collecting said business taxes. This small business exemption accordingly is enacted for the following purposes, among others, namely: to retain within San Francisco small business enterprises which otherwise would depart San Francisco to the detriment of the economy of San Francisco; to encourage the location within San Francisco of needed and useful small business enterprises which will provide jobs and will otherwise contribute to the economy of San Francisco; and to eliminate the administrative inconvenience and inefficiency of collecting business taxes from small business enterprises, as to which, in some cases, the collection costs exceed the revenues collected, and in other cases the collection costs constitute a significant percentage of revenues collected.

Section 5. This ordinance is effective as of January 1, 1977.

AMENDING ORDINANCE NO. 275-70 (PAYROLL EXPENSE TAX ORDINANCE) BY AMENDING SECTION 3 THEREOF, RELATING TO IMPOSITION OF TAX: AND ADDING SECTION 5A THERETO, RELATING TO SMALL BUSINESS EXEMPTION: EFFECTIVE JANUARY 1, 1977.

Section 1. Ordinance No. 275-70 (Payroll Expense Tax Ordinance) is hereby amended by amending Section 3 thereof and adding Section 5A thereto to read as follows:

Section 3. Imposition of Payroll Expense Tax. A tax for general revenue purposes is hereby imposed upon every person who, in connection with his business, engages, hires, employs or contracts with one or more individuals as Commission Merchant or Employee, to perform work or render services in whole or in part within the City and County of San Francisco.

The amount of such tax for persons other than Associations shall be one (1%) percent of the payroll expense of such person; provided, that such tax shall be levied only upon that portion of payroll expense which is attributable to the City and County of San Francisco as set forth in Section 4; provided further that the amount of such tax commencing January 1, 1977, shall be one and one-tenth (1-1/10%) percent of the payroll expense of such persons.

The amount of such tax for Associations shall be one (1%) percent of the payroll expense of such Association, plus one (1%) percent of the total distributions made by such Association by way of salary to those having an ownership interest in such Association; provided, that such tax shall be levied only upon that portion of association distributions (computed in the same manner as if such association distributions were definable as Payroll Expense) and that portion of Payroll Expense which are attributable to the City and County of San Francisco as set forth in Section 4; provided further that the amount of such tax commencing January 1, 1977, shall be one and one-

tenth (1-1/10%) percent of the payroll expense of such Association, plus one and one-tenth (1-1/10%) percent of the total distributions made by such Association by way of salary to those having an ownership interest in such Association.

This ordinance shall not be construed as requiring any license whatsoever, nor shall payment of this tax be a condition precedent to engaging in any business within the City and County of San Francisco. This tax is imposed for general revenue purposes and in order to require commerce and the business community to carry a fair share of the costs of local government in return for the benefits, opportunities and protections afforded by the City and County of San Francisco.

Section 5A. Small Business Exemption.

Notwithstanding any other provisions of this Payroll Expense Tax Ordinance, small business enterprises, as hereinafter defined, shall be exempt from taxation under this ordinance. The term "small business enterprise" shall mean and include any taxpayer whose tax liability hereunder, but for this exemption provision, would not exceed Five Hundred ($500) Dollars.

Section 2. If this amendment establishing a tax exemption for small businesses is held to be invalid for any reason, the Payroll Expense Tax Ordinance shall not be invalid in its entirety but rather shall continue in full force and effect as if this amendment had never been enacted; and said Payroll Expense Tax shall apply to small business enterprises, as well as to other taxable businesses. It is hereby declared to be the intention of the Board of Supervisors that the Payroll Expense Tax Ordinance shall apply to persons employing individuals in connection with their business within San Francisco, even if small businesses cannot legally be exempted.

Section 3. The Board of Supervisors hereby finds and declares that many small businesses enterprises, possibly as many as 1900 such

small business enterprises have left San Francisco in the past three years and that the financial burden of San Francisco business taxes, including the Payroll Expense Tax and/or the Business (gross receipts) Tax, was a significant factor in such business departures. The Board of Supervisors further finds and declares that exempting small business enterprises from these taxes would significantly reduce the cost of collecting such taxes and would increase the efficiency of collecting said business taxes. This small business exemption accordingly is enacted for the following purposes, among others, namely: to retain within San Francisco small business enterprises which otherwise would depart San Francisco to the detriment of the economy of San Francisco; to encourage the location within San Francisco of needed and useful small business enterprises which will provide jobs and will otherwise contribute to the economy of San Francisco; and to eliminate the administrative inconvenience and inefficiency of collecting business taxes from small business enterprises, as to which, in some cases, the collection costs exceed the revenues collected, and in other cases the collection costs constitute a significant percentage of revenues collected.
